

The screenshot shows the AMOVE app's interface. At the top, there's a search bar with placeholder text 'Search for car' and a magnifying glass icon. Below it, there are two tabs: 'Cars' and 'Bikes'. The main content area displays a list of rental offers: 'Renault Kangoo' for 1 day at 10.99€, 'Renault Twingo' for 1 day at 10.99€, and 'Renault Twingo' for 1 day at 10.99€. Each offer includes a small image of the car, its name, price, and a 'Book Now!' button. At the bottom, there's a summary box with a blue border containing the total amount '10.99€' and a 'Book Now!' button. The bottom navigation bar has three items: 'Cars', 'Bikes', and 'Profile'.

The screenshot shows the homepage of the EASY MOVE website. At the top, there's a search bar with fields for 'Destination' (Paris), 'Arrivée en location' (Paris), 'Période de réservation' (check-in: 2024-05-15, check-out: 2024-05-16), and a dropdown for 'Nombre de véhicules'. Below the search bar are sections for 'Véhicule moyen avec chauffeur' (with a rating of 4.5/5) and 'Véhicule moyen sans chauffeur' (with a rating of 4.5/5). There are also sections for 'Véhicule moyen avec chauffeur' (rating 4.5/5) and 'Véhicule moyen sans chauffeur' (rating 4.5/5). A large button labeled 'Rechercher' is prominent. Below these sections, there's a testimonial box with a photo of a handshake, a photo of a smiling woman driving, and a section titled 'Véhicule moyen avec chauffeur' featuring a yellow car. The bottom of the page includes social media links for Facebook, LinkedIn, and YouTube, along with a footer containing the EASY MOVE logo and a 'Suivez-nous' button.
